### Discriminators

- a diverse portfolio of successful projects spanning defence, civil, maritime, infrastructure and heritage restoration, on a number of different substrates.
- 24/7 On-Site blasting, coating & restoration using AMES Inflatable 50m diameter encapsulation systems, in-house rope access team and scaffolding, giving us the edge for access, encapsulation and work process anywhere.
- Experienced marine diving team, for engineering, coating and installs.
- Key personnel with broad industry experience including NACE 2 inspection capability.
- Established partnerships with key suppliers
- Our industry knowledge of economic processes creates short lead times.

### Capabilities

- 20 x 6 x 4 Meter Blasting Booth
- 25 x 25 x 4 Meter Spray Booth
- Mobile Blasting & Painting Booth
- Rope Access Team
- Structural Remediation
- 40,000 PSI Hydro Blast Cleaning & Demolition
- Environmental Protection
- Marine Protection
- Passive Fire Protection
- PCCP Accredited Lead Paint Removal
- Heavy Coating Removal
- Steel Fabrication
- Scaffold & Inflatable Encapsulation
- Project Management
- Underwater Video Survey
- Epoxy Protective Coatings
- Confined Space Blasting & Painting
- Concrete Crack Injection

### Key Customers

Government of South Australia

Department of Planning,  
Transport and Infrastructure

Australian Government  
Department of Defence

### Quality Approvals & Memberships

- ISO 9001:2015
- ISO 14001:2015
- PAS99:2012
- PCCP Accreditation 179, Lead Paint Removal, Class 3,4,5,6
- EPA Licence 26042
- Builders Licence BLD 280829
- Defence Teaming Centre
- CM3 Accredited Supplier
- Australian Corrosion Association
