

AMW Professional Services

What we do

AMW is an agile and client focussed company committed to delivering value, outcomes and capability to Defence, Industry and Government agencies. Our reputation is built on providing highly-qualified and professional people to deliver tailored services to our clientele. Throughout the Capability Life Cycle, from initial concept through to disposal, AMW has consistently produced outstanding results in complex and large-scale projects and programs.

Battlespace Communications (BC) SPO

Since 2015 AMW has been providing RF engineering and engineering management services to:

- **Protected Mobility Integration and Capability Assurance Program (PMICA)**
 - Protected Mobility Vehicle – Medium (PMV-M) (aka Bushmaster)
 - Protected Mobility Vehicle – Light (PMV-L) (aka Hawkei)
 - Medium/Heavy Capability (MHC) vehicles
- **Battlespace Communications Systems – Land (BCS-L)**
 - Special Operations Task Group (SOTG) PMV
 - Nary Special Operations Vehicle (SF SOV)
 - Air-Droppable Rigid Hull Inflatable Boat (ADRHIB)
 - Protected Mobility Vehicle (PMV)
 - Up Armoured UniMog (UAMOG)

Active Electronically Scanned Array (AESA) SPO

AMW have been providing the following services to AESA SPO since 2015:

- **Engineering**
- **Test and Evaluation**
- **Integrated Logistics Support**
- **Export Controls**
- **Project Management**

AMW has been providing support to the world-leading active electronically scanned array systems produced by CEA Technologies. We have been delivering project management, engineering and technical expertise relating to the development, acquisition and support of AESA Technologies both domestically and internationally.

Intelligence, Surveillance, Reconnaissance and Electronic Warfare Maritime (ISREW)

AMW has been providing contracted project and engineering support services to EW, now ISREW Branch, since 2003. AMW is currently providing a dedicated team to support ISREW programs in:

- **Engineering (RF, aero, communications, software & systems)**
- **Test and Evaluation**
- **Project Management and Support**
- **Integrated Logistics Support**
- **Scheduling**
- **Project Administration**
- **CDD Development**

Who we are

A quality organisation

We maintain a model of high quality, yet low overheads which ensure our resilience and longevity, while remaining highly responsive to clients and employees alike.

A growing organisation

A distinguished reputation and highly regarded within the Defence community. AMW maintain this reputation via a strong regard for commercial ethics, ensuring our dealings with clients, employees and competitors alike are transparent and forthright.

A well regarded organisation

AMW has consistently experienced year on year growth, this growth reflects both the value AMW provides to our clients as well as the continued investment of the programs and projects AMW is involved with delivering.

An organisation that values its staff

We focus on people, not just numbers. Our philosophy is to look after our people, so they can focus on achieving client outcomes.

Key Customers

AMW have, and are currently delivering outcomes to a number of key clients including:

- **Department of Defence**
 - Capability Acquisition and Sustainment Group (CASG)
 - Chief Information Officer Group (CIOG)
 - Australian Signals Directorate (ASD)
 - Australian Geospatial-Intelligence Organisation (AGO)
- **Home Affairs / Border Force**
- **Australian Federal Police**
