

COMPANY OVERVIEW

CYLAD is an international strategy and management consulting firm with a strong expertise and track record in Aerospace & Defence.

Our 150 consultants, data analysts and senior experts based in Australia, Europe and North America deliver more than 100 projects per year.

We are dedicated to supporting Aerospace & Defence companies to develop, improve performance and accelerate projects by leveraging our expertise in growth strategy, program and bid management, business & digital transformation, and operational excellence.

WHY CYLAD

1. Top tier consulting skills combined with in-depth knowledge of the Aerospace & Defence sector and its entire value chain.
2. Experience in supporting Small and Medium-sized Enterprises (SMEs), large companies and government agencies.
3. Intimacy and flexibility of a boutique firm, with the capability and reach of an international firm.
4. Smart Data & Analytics centre of excellence, offering data visualisation and reporting, powerful analysis, and automation of complex processes.

CAPABILITIES

 Growth Strategy
Defining growth plans, supporting acquisition opportunities, facilitating post-merger integration, geographical expansion and technology transfer.

 Project & Portfolio Management
Designing architecture and management of complex projects and programs, including scope, schedule, resource, earned value, and risk.

 Cost & Cash Competitiveness
Developing successful responses to tenders; Right-sizing fixed costs, optimising cash and improving business controlling practices.

 Business & Digital Transformation
Defining, improving and accelerating business and digital transformation strategy and plans.

 Product Development
Reducing time-to-market and product cost by streamlining the Product Development Process, and accelerating industrialisation.

 Supply-Chain & Procurement
Designing and developing supply chain, measuring and increasing local content, and modernising procurement practices with data analytics.
