Key Customers and Partners

Capabilities in Defence

- 20+ years of defence operations and sales, capital raising, venture capital, and private equity, and spinouts.
- Networks of defence intermediaries, project partners, and relevant contractors.
- Proven processes to manage funding submissions and funding guidelines.
- Awareness and knowledge of the ever-changing defence landscape, priorities and needs.

Discriminators

We are ideally positioned to use rare mix of financial, operational and technical expertise to convert your opportunity into **"defence speak"**.

Flexible and responsive, we can tailor defence funding solutions and engagement style specific to your business needs.
