

The Australian Defence Technologies Academy (ADTA)

Accelerating Australia's defence, national security,
and sovereignty priorities.

Achieving our purpose through
innovation-led learning with
three core objectives:

1

Developing
the workforce
we need

2

Accelerated
deployment
of innovation

3

Leveraging
expertise to
reduce risk

Safe and secure
facility with
operational
firewalls outside
of the university
environment

Join us as a Foundation Partner
and shape the future of national
security technology.

- ✓ **Industry partner:** Gain direct insights from defence to invest confidently in critical current and future capabilities.
- ✓ **Defence agency:** Partner with ADTA to manage workforce gaps and fast-track secure, future-ready solutions.
- ✓ **Academia:** Turn research into real-world, commercial solutions aligned with national priorities.

For partnership opportunities and
more information, contact us at
adta_admin@adelaide.edu.au

The ADTA is funded by the Australian Government and the Government of South Australia through the Adelaide City Deal and through partnership with Adelaide University. It will be located at Lot Fourteen's Innovation Centre.
